**Book December 19, 2024-March 31, 2025.**

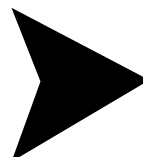

**With a legacy of expedition travel since 1896, we're proud to offer off-the-beaten-track adventures with science, history, and culture at their core. Immerse yourself in otherworldly landscapes, get up close to rare wildlife, and encounter unique cultures — and return home with a richer love of our beautiful, fragile, and resilient planet.**

Since 1896, HX has taken curious travelers on mindful adventures to some of the world's most awe-inspiring places. Today, we're leaders in expedition cruising, offering guests the perfect balance of adventure, comfort, and sustainability from our purpose-built ships. With expeditions to the Arctic, Galápagos, Antarctica, and more guests experience authentic adventure with modern amenities. An HX expedition cruise is the perfect choice for travelers who want to learn, actively explore, and have an intimate knowledge and understanding into the science, history, wildlife, and culture of the places we visit. Guests return home not only with stories of their grand adventure but also a deeper, richer love of our beautiful, fragile, and resilient planet.
