Insider Tip

Stargaze from the bathtub, thanks to the retractable roof.

Private ... romantic ... remote, the adults-only Royal Davui Island Resort occupies its own ten-acre island in Fiji's Beqa Lagoon and is host to just 32 guests at a time. Each of the 16 vales (homes) that dot the landscape features a large deck and a private plunge pool. Despite its petite size, the resort offers myriad island activities, such as snorkeling, diving, kayaking, and attending a traditional kava ceremony. In the center of Banyan Restaurant is a towering Pacific banyan tree, which shelters guests as they dine on fresh seafood and other Fijian delights.
